Abrasives

The Abrasive range offers an extensive portfolio of products, ranging from discs and weave pads, to strips and dust extraction blocks.

bodyline®

Superbrade Disc

Part No.	Item	Size	Quantity
BDPBGSB	Superbrade Disc	100mm	Pack of 1
BDPBBS2	Superbrade Disc	100mm	Pack of 2

The Superbrade Griplock Discs are designed to handle tough cleaning and stripping jobs. They clean paint and rust from hard to reach areas effectively prior to repair.

- Impregnated grit gives consistent performance
- Moulded flat fixing increases versatility, as product can be used on a flat surface

Griplock Holder

Part No.	Size
BDPBGH50	50mm With 6mm Shaft

A dedicated holder that has to be used with the Griplock system.

Griplock Stripping Disc

Part No.	Item	Size	Quantity
BDPBGSCD50	SCM Discs Coarse	50mm	Pack of 20
BDPBGSD50	Stripping Discs Coarse	50mm	Pack of 10
BDPBGSD75	Stripping Discs Coarse	75mm	Pack of 10

Griplock Stripping Disc provide abrasive solutions for all grinding, finishing, deburring and cleaning applications.

- The small diameter discs allows difficult areas to be easily reached, improving final finish
- Quick and easy disc change system enables the user to change product or grade quickly to suit the required application leading to improved process efficiency

Griplock Grinding & Flap Discs

Part No.	Item	Size	Grit	Quantity
BDPBGGD5036	Grinding Disc	50mm	P36	Pack of 50
BDPBGGD5050	Grinding Disc	50mm	P50	Pack of 50
BDPBGFW5060	Flap Disc	50mm	P60	Pack of 10
BDPBGFW5080	Flap Disc	50mm	P90	Pack of 10

The Griplock Discs provide abrasive solutions for all grinding, finishing, deburring and cleaning applications.

- The small diameter discs allow difficult areas to be easily reached, improving final finish
- Quick and easy disc change system enables the user to change product, or grade, quickly to suit the required application, leading to improved process efficiency

Zirconia Cloth Belts

Part No.	Size	Grit	Quantity
BDPBZB1040	10x330mm	P40	Pack of 10
BDPBZB1060	10x330mm	P60	Pack of 10
BDPBZB1080	10x330mm	P80	Pack of 10
BDPBZB2040L	20x520mm	P40	Pack of 10
BDPBZB2060	20x480mm	P60	Pack of 10
BDPBZB2080	20x480mm	P80	Pack of 10

Zirconia Cloth Belts are durable polyester cloth back belts, designed to give a consistent level of stock removal.

- Grit ranging from P40 to P80 meets every step of the repair process
- Lack of premature grit shredding gives prolonged performance
- Eliminates overlap results in smooth abrasive action

Zirconia Fibre Discs

Part No.	Size	Grit	Quantity
BDPBZD10036	100mm	P36	Box of 25
BDPBZD10050	100mm	P50	Box of 25
BDPBZD11524	115mm	P24	Box of 25
BDPBZD11536	115mm	P36	Box of 25
BDPBZD11550	115mm	P50	Box of 25

Zirconia Fibre Discs are superior performance discs designed to meet every abrasive step of the repair process.

Superbrade Mandrel

Part No.	Size
BDPBSM6	6mm

Superbrade Mandrel is designed to be used with the Superbrade Discs. The metal fixing on the back ensures the product performs consistently.

AIRMAX® Abrasive Discs

Part No.	Size	Grit	Quantity
BDPBAMAD12540	125mm	P40	Box of 50
BDPBAMAD12560	125mm	P60	Box of 50
BDPBAMAD12580	125mm	P80	Box of 50
BDPBAMAD125120	125mm	P120	Box of 50
BDPBAMAD125180	125mm	P180	Box of 50
BDPBAMAD125240	125mm	P240	Box of 50
BDPBAMAD125320	125mm	P320	Box of 50
BDPBAMAD125400	125mm	P400	Box of 50
BDPBAMAD125500	125mm	P500	Box of 50
BDPBAMAD15040	150mm	P40	Box of 50
BDPBAMAD15060	150mm	P60	Box of 50
BDPBAMAD15080	150mm	P80	Box of 50
BDPBAMAD150120	150mm	P120	Box of 50
BDPBAMAD150180	150mm	P180	Box of 50
BDPBAMAD150240	150mm	P240	Box of 50
BDPBAMAD150320	150mm	P320	Box of 50
BDPBAMAD150400	150mm	P400	Box of 50
BDPBAMAD150500	150mm	P500	Box of 50

BODYLINE® AirMax range provides customised technology depending on each stage of the repair process.

- **Unrivalled Dust Extraction:** Superior extraction capacity reduces clogging even on the toughest surfaces
- **Proven Longer Lasting Performance:** Increased surface area covered, improved cutting action leading to longevity of the disc and cost savings for the end user
- **Excellent Stock Removal:** Reduces dust in the atmosphere through improved extraction
- **Net Material:** Velcro backed discs ensure the product will fit to any backing pad
- **Outstanding Flexibility:** Suitable for fast cutting on a variety of surfaces
- Velcro backed discs and will fit to any backing pad

KEY Features

Bodyline AirMax discs combine a net product for the finer grit discs (P80 – P400) and a paper product for the coarse grit (P40 / P60) discs.

Stripe Remover Wheel

Part No.
BDPBSMR

Removes stripes, decals and moulding adhesive from panels without burning or discolouration.

Grip Abrasive Discs

Part No.	Size	Grit	Holes	Quantity
BDPBGAD7780	77mm	P80	0	Box of 50
BDPBGAD77120	77mm	P120	0	Box of 50
BDPBGAD77180	77mm	P180	0	Box of 50
BDPBGAD77240	77mm	P240	0	Box of 50
BDPBGAD77320	77mm	P320	0	Box of 50
BDPBGAD77400	77mm	P400	0	Box of 50
BDPBGAD77500	77mm	P500	0	Box of 50
BDPBGAD77803	77mm	P80	3	Box of 50
BDPBGAD771203	77mm	P120	3	Box of 50
BDPBGAD771803	77mm	P180	3	Box of 50
BDPBGAD772403	77mm	P240	3	Box of 50
BDPBGAD773203	77mm	P320	3	Box of 50
BDPBGAD774003	77mm	P400	3	Box of 50
BDPBGAD775003	77mm	P500	3	Box of 50

Superior performance discs designed to meet every stage of the repair process.

Blend and Finish Discs

Part No.	Size	Grit	Quantity
BDPBBFD1251000	125mm	1000	Box of 20
BDPBBFD1252000	125mm	2000	Box of 20
BDPBBFD1253000	125mm	3000	Box of 20
BDPBBFD1501000	150mm	1000	Box of 20
BDPBBFD1502000	150mm	2000	Box of 20
BDPBBFD1503000	150mm	3000	Box of 20

Superior performance discs designed to meet every abrasive stage of the repair process.

KEY Features

Improved cutting made possible by the incorporated ceramic grain, this also increases the longevity and durability of the disc.

Film Abrasive Discs

Part No.	Size	Grit	Holes	Quantity
BDPBFAD125800	125mm	P800	9	Box of 50
BDPBFAD1251000	125mm	P1000	9	Box of 50
BDPBFAD1251200	125mm	P1200	9	Box of 50
BDPBFAD1251500	125mm	P1500	9	Box of 50
BDPBFAD150800	150mm	P800	15	Box of 50
BDPBFAD1501000	150mm	P1000	15	Box of 50
BDPBFAD1501200	150mm	P1200	15	Box of 50
BDPBFAD1501500	150mm	P1500	15	Box of 50

Superior performance discs designed to meet every abrasive stage of the repair process.

DA Backing Pad & Interface Pad

Part No.	Item	Size
BDPBBP1	DA Backing Pad PSA 5/16 UNF	150mm
BDPBBP15HV	DA Backing Pad 15H Velcro 5/16 UNF	150mm
BDPBBP3VM	DA Backing Pad Velcro M6	75mm
BDPBIP15HV	Soft Interface Velcro Pad 15H Velcro	150mm
BDPBIP7HV	Soft Interface Pad 6/7H Velcro	150mm

BDPBBP1: Tough and durable polyurethane pad. For use with all plain or 6 hole 150mm self adhesive abrasive discs.

BDPBBP15HV: Standard profile medium density pad, for use with all 15 hole 150mm velcro abrasive discs. Side dust extraction vents remove more unwanted particles from the sanding area.

BDPBBP3VM: For use with all 75mm velcro abrasive discs.

INTERFACE PAD

- Placed between pad and abrasive disc to create a very soft sanding surface. For use with all 7 or 15 hole 150mm velcro abrasive discs.

Bodyline AirMax® Abrasive Strips

Part No.	Size	Grit	Quantity
BDPBAMAS12580	70 x 125mm	P80	Box of 50
BDPBAMAS125120	70 x 125mm	P120	Box of 50
BDPBAMAS125180	70 x 125mm	P180	Box of 50
BDPBAMAS125240	70 x 125mm	P240	Box of 50
BDPBAMAS125320	70 x 125mm	P320	Box of 50
BDPBAMAS125400	70 x 125mm	P400	Box of 50
BDPBAMAS19840	70 x 198mm	P40	Box of 50
BDPBAMAS19880	70 x 198mm	P80	Box of 50
BDPBAMAS198120	70 x 198mm	P120	Box of 50
BDPBAMAS198180	70 x 198mm	P180	Box of 50
BDPBAMAS198240	70 x 198mm	P240	Box of 50
BDPBAMAS198320	70 x 198mm	P320	Box of 50
BDPBAMAS198400	70 x 198mm	P400	Box of 50
BDPBAMAS42040	70 x 420mm	P40	Box of 50
BDPBAMAS42060	70 x 420mm	P60	Box of 50
BDPBAMAS42080	70 x 420mm	P80	Box of 50
BDPBAMAS420120	70 x 420mm	P120	Box of 50
BDPBAMAS420180	70 x 420mm	P180	Box of 50
BDPBAMAS420240	70 x 420mm	P240	Box of 50
BDPBAMAS420320	70 x 420mm	P320	Box of 50

The *Bodyline AirMax* range provides customised technology depending on each stage of the repair process. *Bodyline AirMax* combines a net product for the finer grit strips (P80 – P400) and a paper product for the coarse grit (P40 / P60) strips.

- **Unrivalled Dust Extraction:** Superior extraction capacity reduces clogging even on the toughest surfaces
- **Proven Longer Lasting Performance:** Increased surface area covered, improved cutting action leading to longevity of the disc and cost savings for the end user
- **Excellent Stock Removal:** Reduces dust in the atmosphere through improved extraction
- **Outstanding Flexibility:** Suitable for fast cutting on a variety of surfaces
- A net products that works with any velcro blocks

Dust Extraction Blocks

Part No.	Size	Holes
BDPBDEB125	70 x 125mm	13
BDPBDEB198	70 x 198mm	22
BDPBDEB420	70 x 400mm	53

A comprehensive dust extraction block for panel and paintshop applications.

- Highly efficient, which provides a cleaner working environment for the bodyshop
- Comfortable to use, designed for user satisfaction

Dust Extraction Block Kit

Part No.	Size	Holes
BDPBDEBK198	70 x 198mm	40

A comprehensive dust extraction block for panel and paintshop applications.

- Highly efficient, which provides a cleaner working environment for the bodyshop
- Comfortable to use, designed for user satisfaction

Dust Extraction Block Hose

Part No.	Size	Quantity
BDEBH	20mm x 4m	1

A flexible suction hose to connect the sander and the dust extractor.

bodyline®

Cyclone Weave Pads

Part No.	Item	Size	Quantity
BDPBCWPUF	Ultra Fine	115 x 230mm	Box of 15
BDPBCWPVF	Very Fine	115 x 230mm	Box of 15

Developed for hard-to-reach areas prior to painting, spot-repairs and removing overspray in a blending zone. The Cyclone Weave Pads are a flexible, three dimensional fibre sanding material that provide an excellent surface finish.

- Due to the special structure, the Cyclone Pads are easy to use on profiled surfaces
- Ideal for matting of surfaces, providing an excellent base for the paint layer

Available in 2 grades

- **Very Fine:** Suitable for primary sanding of various materials and old lacquer layers. Sanding of blendings before applying the primer
- **Ultra Fine:** Suitable for preparation of lacquered surfaces and awkward blend areas

Bodysoft Paper Roll

Part No.	Size	Grit	Quantity
BDPBSPR320	115 x 25mm	P320	1
BDPBSPR500	115 x 25mm	P500	1
BDPBSPR800	115 x 25mm	P800	1

A special latex impregnated paper backing allowing the product to remain flexible and allowing for an increase in abrasive content. The abrasive will cut faster and last longer while still avoiding any sharp edges and maintaining the correct scratch pattern.

bodyline®

Green Non-Woven Pads

Part No.	Size	Quantity
BDPBNWPG	152 x 229mm	Pack of 20

Designed for hand sanding of vehicles. The non-metallic, 3D construction of nylon fibres enable a consistent finish to be achieved.

- Improved flexibility allows all contours to be reached easily
- Water and solvent resistant to clogging and smearing
- The consistent scratch pattern achieves uniform finish
- **Versatile:** can be used wet or dry

Weave Prep Roll

Part No.	Item	Size
BDPBWPRUF	Ultra Fine	100mm x 10m
BDPBWPRVF	Very Fine	100mm x 10m

Designed for hand sanding of vehicles.

- Improved flexibility, allowing all contours to be reached easily
- Water and solvent resistant to clogging and smearing
- Uniform finish, providing a consistent scratch pattern
- **Versatile:** can be used wet or dry

Bodyshine Cleaning Liquid

Part No.	Size
BDPBSh1	1L

A spray additive designed for the general cleaning and polishing of all trims and glass. It removes and prevents holograms and achieves high gloss results.

- **Versatile:** can be used as a lubricant with 2000/3000 Blend & Finish Discs
- Can be used to minimise the heat build up when polishing with Foam Pads
- Supplied in a 1 litre trigger bottle for easy application

Denib Abrasive Discs

Part No.	Size	Grit	Quantity
BDPBDAD2000	37mm	P2000	Box of 100

Designed to be used with the Denibbing Block PSA.

- Silicon carbide grain gives a very uniform finish
- High removal rate with a high quality finish
- Supplied in a dispenser box for easy storage and dispensing, thus minimising wastage

KEY Features

The denibbing system is perfect for removing small dirt inclusions to prepare a vehicle for polishing.

Rubbing block

Part No.	Size
BDPB RB	n/a

Handheld Rubbing Block is designed to allow the user to reach awkward places with ease. It has a flat base and a shielded rubber spike to ensure the abrasive is held firmly in place. It can be used with wet/dry sandpaper.

- Comfortable to hold increases user satisfaction
- Flat base ensures even sanding

Bodyguide Powder

Part No.	Colour	Size
BDPB BPB	Black	100g
BDPB BPW	White	100g

The Dry Guide Coat has excellent covering properties. The powder makes all contoured areas.

- The black powder is used for light colour surfaces.

Denibbing Block Grip/PSA Soft

Part No.	Size	Quantity
BDPBDNBS	30mm	Pack of 2

Denib Polishing Block is used for denibbing dirt inclusions.

- Fluted design for added hand comfort
- Double sided design with a hard side for flat surfaces, and a soft side for contours and shapes

Fillers & Stoppers

The Filler & Stopper products are easy to work with and allow dents and imperfections to be smoothed; providing excellent professional results for Bodyshops.

bodyline®

Affinity Deep Fill Filler 3L

Part No.	Size
BDPBADF0300	3L

The Deep Fill Body Filler is ideal for large repairs filling up to 6mm in one easy application.

- Its non-drag formulation makes sure the filler stays where you need it and the latest lightweight chemistry makes sanding easy, creating the profile you need
- Available in a 1.3 litre dispenser or a 3 litre tin
- Kit includes hardener and spreader

Filler Dispenser 1.3L

Part No.	Size
BDPBF0130	3L

Dispenses both body filler and hardener to the correct mixing ratio.

- Small and portable design
- To be used with Affinity Mid Fill Filler 1.3L (BDPBAMF0130) and Affinity Deep Fill Filler 1.3L (BDPBADF0130)

Affinity Mid Fill Filler

Part No.	Size
BDPBAMF0110	1.1L
BDPBAMF0300	3L

The Mid Fill Body Filler is easy to mix and easy to apply. The wetting properties ensures a smooth profile that is capable of filling repairs up to 6mm deep in one simple application.

- Designed with the latest chemistry, creating an easy to sand pinhole free finish.
- Available in a 1.3 litre, 1.21 litre, 1.1 litre dispenser or a 3 litre tin.

Affinity Finishing Filler 0.6L

Part No.	Size
BDPBAFF0600	0.6L

The Finishing Filler is designed for small repairs up to 2mm deep and as a final coat on filler repairs. The self-levelling properties makes application and sanding simple ensuring a first class repair.

Affinity Plastic Filler 0.6L

Part No.	Size
BDPBAPF0600	0.6L

The Plastic Filler is designed for the robust finishing of repairs and imperfections found in damaged plastic substrates; its excellent adhesion and flexibility ensures a first class repair.

- Kit includes hardener and spreader

Affinity All Purpose Stopper 0.6L

Part No.	Size
BDPBAAS0600	0.6L

The universal All-Purpose Polyester Stopper is very easy to spread, easy to sand and has excellent adhesion to all substrates.

- Kit includes hardener and spreader

Affinity Hardener

Part No.	Size
BDPBAPH0020	20gm

Hardener to be used with Affinity Fillers.

Polyester Laminating Resin

Part No.	Item	Size
BDPBPLR1	Laminating Resin	1L
BDPBPLR5	Laminating Resin	5L

Fast curing opaque laminating resin available in two different sizes. Hardener to be used with Laminating Resin.

Affinity Bridging Filler 1.85L

Part No.	Size
BDPBABF0185	1.85L

Two component glass fibre reinforced filler paste that allows for great build and non-slip properties.

- Easy to mix and apply
- Excellent adhesion to steel, aluminium and zinc coated panels
- Waterproof once cured
- Can be over-painted directly
- Kit includes hardener and spreader

Glass Fibre Mat

Part No.
BDPBGFM

- Strong, high quality matting
- 1m²
- Suitable for GPR construction
- Fine glass fibre tissue to create a smoother finish

Filler Spreaders

Part No.	Quantity
BDPBBFS	Pack of 10

Plastic Filler Spreaders have three bevelled edges to enable the user to spread body filler easily, giving a better finish.

Mixing Board

Part No.	Size
BDPBMB	n/a

New generation board consisting of a hard board with tear-off sheets, to provide a cost effective and clean mixing surface for each mixing operation.

- Faster application
- Clean mixing
- No contamination
- 100 throw-away sheets

Rubber Squeegee

Part No.	Size	Quantity
BDPBSRS	70 x 50 x 4mm	Pack of 10
BDPBSRL	100 x 60 x 4mm	Pack of 10

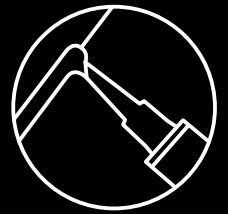

Flexible, soft and durable.

- Wipes or spreads over uneven surfaces
- Cost effective
- Multi-purpose

Every BODYLINE[®] product is tried and tested by PPG Industries on product performance and longevity.

Sealers & Adhesives

The Filler & Stopper products are easy to work with and allow dents and imperfections to be smoothed; providing excellent professional results for Bodyshops.

bodyline®

Wet On Wet Sealer

Part No.	Item	Size
BDPBWWSB	Black	290ml
BDPBWWSG	Grey	290ml

A professional sealant based on modern MS Polymer technology.

- Remains flexible after application prevents shrinking of the product
- Solvent and Isocyanate free, making it more environmentally friendly
- Excellent sag resistance
- Cures 3mm per 24 hours at 23°C
- Skin forming after 10 minutes at 23°C
- Low odour

KEY Features

Excellent adhesion properties and is over-paintable immediately with most paint systems.

Professional Caulking Gun

Part No.

BDPBPCG

Allows a consistent flow of product to achieve an even bead. It has very high transmission which makes it ideal for higher viscous adhesives.

- Suitable for up to 310ml cartridges

KEY Features

The cartridge head rotates to keep the cartridge in the same position, reducing the risk of a twisted or inconsistent bead.

Professional Air Caulking Gun

Part No.

BDPBACG

Light duty pneumatic cartridge applicator for 310ml and 400ml cartridges.

- For use with low to medium viscosity materials
- Direct air drive
- Lightweight and ergonomically formed applicator, which is perfectly balanced for comfort and ease of use

Universal Air Applicator Gun

Part No.	Item	Size	Quantity
BDPBUAG	Universal Air Applicator Gun	310ml/ 600ml	1
BDPBUAGN1	Outer Cartridge Nozzle	n/a	Pack of 5
BDPBUAGN2	Inner Plastic Cartridge Nozzle	n/a	Pack of 5
BDPBUAGN3	Inner Aluminium Cartridge Nozzle	n/a	Pack of 5
BDPBUAGN4	Inner Cartridge Nozzle Fine Tip	n/a	Pack of 5
BDPBUAGN5	Inner Sachet Nozzle	n/a	Pack of 5

A multipurpose sealer application gun. Suitable for 310/600ml single component cartridges and sachets.

- This product is very easy to control, allowing for a controlled flow of sealer
- As the gun is multipurpose it can also be used as a spray application tool, to create the OE Finish of spray sealing, stone-chip and sound deadening applications
- The control feature on the gun is easy to use and helps to control the spray pattern
- The air control unit is also simple to use, giving a consistent air pressure to the gun whilst in use

KEY Features

Easy to change between bead and spray application with one twist.

Sprayable Sealer Grey

Part No.	Size
BDPBSSG	310ml

A single component sealer specifically designed to match O.E sprayed seams. This sealer is easy to use and can be used on any type of car.

- Isocyanate and silicone free, making it more environmentally friendly
- Almost no smell
- Very good adhesion on metals, primers and enamels

KEY Features

Excellent adhesion properties and is over-paintable immediately with most paint systems.

Brushable Joint Sealer

Part No.	Size
BDPBBS	1kg

A highly adhesive, synthetic rubber based sealant that provides a durable protective and flexible seal on overlapping seams and joints.

- High adhesion properties and can be over-painted
- Extremely durable due to petrol, oil and water resistance

Seam Sealer Tape

Part No.	Size
BDPBSST	9mm x 10m

A flat seam tape designed to replace door skin seams.

- High resistance ensuring high bond to substrates
- Transparent flexible gives invisible repair
- High resistance ensures high bond to substrates and improving user satisfaction

Refit Tape

Part No.	Size
BDPBRT12	12mm x 10m

An extremely high tack double sided adhesive that is ideal for use on bonding rubbers, plastics and roof linings in vehicle trim applications.

- **Easy to use:** very user friendly with no mess
- Good adhesion properties stop overspray and increases customer satisfaction

Transparent Acrylic Tape

Part No.	Size
BDPBFAT6	6mm x 10m
BDPBFAT9	9mm x 10m
BDPBFAT12	12mm x 10m
BDPBFAT19	19mm x 10m

These transparent acrylic tapes are the highest performance bonding and mounting tapes. The tape provides a complete water, dust and air seal.

- The tapes are re-positionable, UV resistant, high and low temperature resistant -40°C to + 170°C and with good chemical resistance

Double Sided Grey Acrylic Tape

Part No.	Size
BDPBDSAT12	12mm x10m
BDPBDSAT6	6mm x 10m
BDPBDSAT9	9mm x 10m

A reinforced acrylic foam tape with high tack and shear strength performance acrylic adhesive. The product has excellent adhesion to a wide range of substrates including plastics and metals; saving the Bodyshop money by reducing the need to buy additional mouldings.

- Ideal for bonding emblems, nameplates and plastic panels
- This tape is 1mm thick and allows for variations on the depth of the moulding of the car

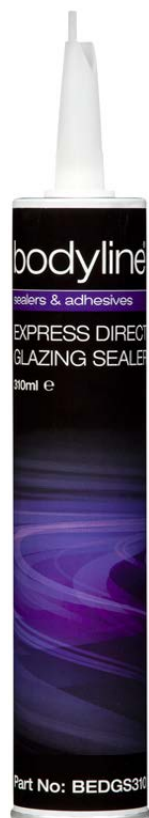

Seam Sealer Brush

Part No.	Size
BDPBSSB	n/a

A strong nylon bristled brush that can be used to apply most brushable seam sealers.

- Ideal for use with the *Bodyline* Brushable Joint Sealer

Express Direct Glazing Sealer

Part No.	Size
BDPBEDGS310	310ml

A fast-curing, single component, polyurethane sealant for gluing new windscreens.

- Almost no smell
- **Does not drip:** helping with product wastage
- Easy to apply

Direct Glazing Sealant

Part No.	Size
BDPBBDG310	310ml

A high modulus adhesive and joint sealer designed for use when replacing direct glazed windscreens.

Windscreen Sealer

Part No.	Size
BDPBWS	310ml

A one-pack, permanently flexible, non-hardening sealant for conventional 'rubber gasket' windscreens.

- High adhesion properties

Glazing Primer

Part No.	Size
BDPBP30	30ml

Ensures perfect adhesion on glass and protects direct glazing sealer from UV exposure whilst having high durability properties. It also aids the adhesion of Direct Glazing Sealer.

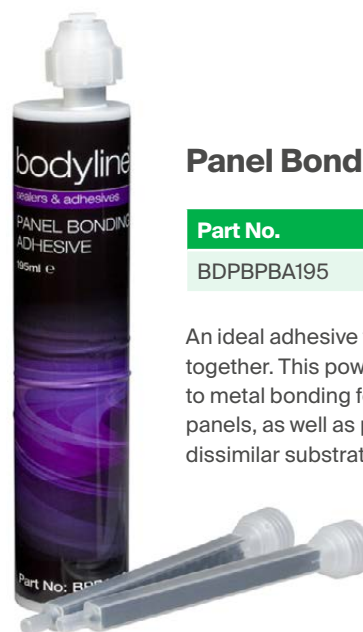

Bond & Seal Black

Part No.	Size
BDPBWS	310ml

The Multi-Purpose Bond & Seal is capable of general adhesion and protects areas from water ingress.

This 1K product has a high resistance to shrinkage, making it ideal for use on bonding and strengthening bars when replacing door skins.

- Easy to apply
- Does not drip: helping with product wastage

Panel Bonding Adhesive

Part No.	Size
BDPBPBA195	195ml

An ideal adhesive for bonding two substrates together. This power weld offers excellent metal to metal bonding for door skins and outer body panels, as well as providing good bonding for dissimilar substrates like metal and plastic.

- Excellent adhesion to wide variety of substrates, reducing the need for other adhesives
- Excellent sag resistance
- 2 Year shelf life for open and unopened cartridges
- Paintable after curing
- Almost no smell
- Non flammable

KEY Features

Guaranteed adhesive thickness of 0.25mm due to glass bead technology.

Plastic Repair Kit

Part No.	Item	Size
BDPBPRK	Plastic Repair Adhesive Black Rapid x 2	50ml
	Plastic Repair Adhesive Black Standard x 2	50ml
	Plastic Repair Adhesive Black Slow x 2	50ml
	Adhesion Promoter x 1	200ml
	Plastic Cleaner x 1	500ml
	Reinforcement Film x 1	n/a
	Contour Film x 1	12 x 360cm
	Mixing Nozzles x 12	50ml
	Plastic Applicator Gun x 1	n/a

Provides a complete solution for all plastic structural and cosmetic repairs. The kit is supplied in a sturdy carry case, allowing all your plastic repair needs to be kept in one convenient place. All items available separately.

Mixing Nozzles

Part No.	Quantity
BDPBMN	Pack of 12

For use with *Bodyline* Adhesive Cartridges, they come in a cost effective pack of 12.

- The unique mixing configuration allows minimal wastage within the nozzle, saving the bodyshop money

Sealer Cartridge

Part No.	Quantity
BDPBSCN	Pack of 6

A transparent nozzle, available in a pack of 6.

- Easy to see when the sealer is ready for use.
- Suitable for use with *Bodyline* 310ml and 290ml sealer cartridges

General Purpose Rapid Adhesive

Part No.	Item	Size
BDPBGPA50R	Clear WSL	50ml

This product is specially designed for small, quick, durable bonding and repair jobs.

- Excellent specific adhesion to Polycarbonate, ABS, PVC etc.
- Fast cure response at room temperature
- Heat acceleration optional to achieve short cycle times
- Improved health and safety classification as it doesn't contain MDI
- Easy processing from cartridge
- High resistance to elevated temperatures, chemicals and moisture increases product durability

Plastic Adhesive

Part No.	Item	Size
BDPBPAB50R	Black Rapid	50ml
BDPBPAB50S	Black Standard	50ml
BDPBPAB50X	Black Slow	50ml
BDPBPAC50	Clear	50ml

A two-part high strength polyurethane adhesive ideal for the universal repair and bonding of plastic bumpers, trim and vehicle components.

- Automatic one step mixing provided by gun and nozzle, making it easy to use, with no mixing required
- Provides excellent adhesion and bonding, increasing customer confidence
- Consistent quality
- Easy to sand

Plastic Cleaner

Part No.	Size
BDPBP500	500ml

A specially designed water based cleaner which will clean oil, silicon residue or grease from any plastic surface.

- Can be used for the cleaning and degreasing of plastics before any repair or bonding, thus increasing product versatility
- Supplied in a trigger spray bottle for ease of use and application

Plastic Applicator Gun

Part No.	Size
BDPBPAG50	50ml

Handheld Plastic Applicator Gun is designed for the controlled application of two component epoxies, silicones and other such materials.

- Supplied with various plungers for increased versatility of the gun, the user can dispense different ratio industry standard 50ml 1:1, 2:1, 4:1, 10:1 cartridges

Hi Temp Trim Tack Aerosol

Part No.	Size
BDPBHTTA	500ml

Bodyline high strength Trim Tack is ideal for bonding trim fabrics such as roof linings and carpets.

Emblem Adhesive Tape

Part No.	Size	Quantity
BDPBEAT	50mm	Pack of 10

Designed to salvage and re-use undamaged trims and badges eliminating the need for a replacement. Can also be used for positioning parts before final fixing or for fixing decorative and promotional items.

AC Gel Clear & Activator

Part No.	Item	Size
BDPBACGC	AC Gel Clear	20g

A quick and easy to apply gel for filling scratches and grooves.

- The Activator speeds the curing time of the AC Gel
- Bonds various substrates like EPDM, SBR, PVC, ABS
- High viscosity

Adhesion Enhancer

Part No.	Size
BDPBAE	250ml

Allows for faster, stronger and a more efficient adhesion method for using Double Sided Tapes to re-install mouldings and fixings removed during the repair process.

Adhesion Promoter Aerosol

Part No.	Size
BDPBAP200	200ml

Improves the adhesion of structural adhesives on thermoplastic PolyOlefin (TPO) plastics. It is easy to apply and is usable on most common thermoplastic materials.

- **Short drying time:** approximately 5 minutes helping with Bodyshop time efficiency

Adhesive Remover Aerosol

Part No.	Size
BDPBARA	500ml

Enables easy removal of the glue residue and adhesive left behind from the removal of badges, mouldings and graphics. The special formulation allows the liquid to soak into the adhesive and using its slow evaporation, softens the glue for easy removal.

Body Schutz

Part No.	Size
BDPBBS1	1L
BDPBBSA500	500ml

Protects against corrosion, water and road salt to give a durable textured finished for the underbody of a vehicle.

Undercoating Gun c/w Extension Probe

Part No.
BDPBSG1

Protects against corrosion, water and road salt to give a durable textured finished for the underbody of a vehicle.

Cavity Wax

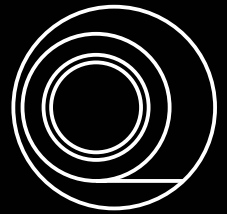

Part No.	Item	Size
BDPBCCW1	Clear	1L
BDPBCCWA	Clear	500ml
BDPBCW1	Amber	1L
BDPBCWA	Amber	500ml

A high performance, specially designed coating to protect inaccessible areas of vehicle bodies from corrosion.

The BODYLINE® product range uses the latest material technologies available.

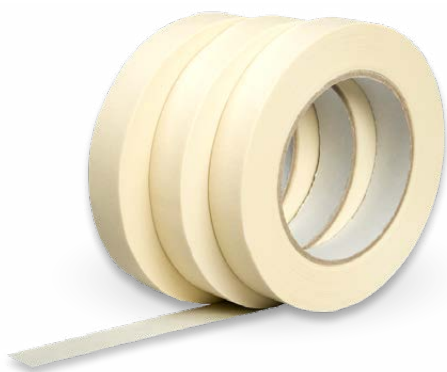

Masking

The Masking range consists of tapes, wraps and paper – the ideal products for Bodyshop vehicle preparation and safety.

bodyline®

Masking Tape

Part No.	Size
BDPBMT18	18mm x 50m
BDPBMT24	24mm x 50m
BDPBMT36	36mm x 50m
BDPBMT48	48mm x 50m

A high quality effective masking tape designed to be used for all general masking. It can be used in both air dry and low bake operations.

- Sticks easily and is flexible for easy body contour masking and fast application
- Easy to remove and leaves no residue
- Temperature usage range suitable for all Bodyshop environments, up to 80°C

High Temperature Masking Tape

Part No.	Size
BDPBHTMT24	24mm x 50m
BDPBHTMT48	24mm x 50m

A 2-in-1 fine line masking tape.

- It is a flexible, water-proof acrylic adhesive that prevents paint bleeding
- Can withstand high temperatures up to 100°C
- Easily removed with no residue
- Sticks to plastics, trims, rubber
- Ideal for wheel masking

UV resistant-ideal for vehicles to be masked and left for short periods of time.

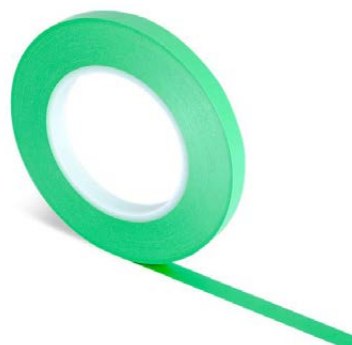

Fine Line Tape Orange

Part No.	Size
BDPBFLT03	3mm x 55m
BDPBFLT06	6mm x 55m
BDPBFLT012	12mm x 55m

Designed to help achieve long straight lines whilst remaining flexible.

- Higher temperature resistance than conventional fine line tapes (up to 150°C/302°F /compatible when using IR curing)
- Extra adhesive to prevent lift or curl on tight angles
- Good for lining bumpers and achieving straight lines
- Prevents paint bleeding
- Thickness of 0.120mm; this allows the tape to be more flexible around tight corners

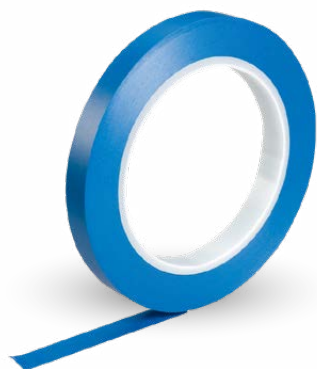

Fine Line Green Tape

Part No.	Size
BDPBFLTG3	3mm x 55m
BDPBFLTG6	6mm x 55m

Designed to be used on curves and tight angles, helping to produce a clean paint edge.

- Easily removed with no residue
- The tape can withstand temperatures up to 132°C for at least 30 minutes

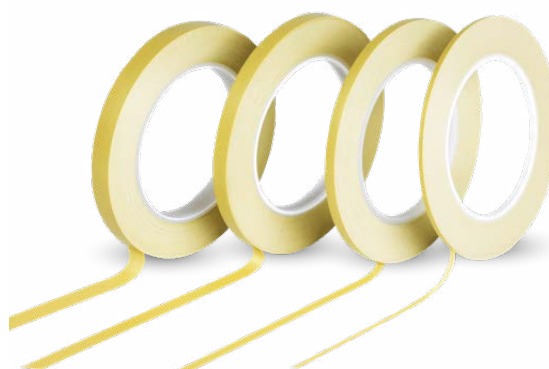

Fine Line Tape Blue

Part No.	Size
BDPBFLT3	3mm x 33m
BDPBFLT6	6mm x 33m
BDPBFLT12	12mm x 33m

Designed for multi-colour and design jobs. Gives medium flexibility.

- Temperature resistant up to 138°C/280°F
- Can be used on all parts of substrates to protect safe parts of body from overspray
- Easy to remove and leaves no residue
- Thickness of 0.163mm

Fine Line Tape Olive

Part No.	Size
BDPBFLT12	12mm x 55m
BDPBFLT3	3mm x 55m
BDPBFLT6	6mm x 55m
BDPBFLT9	9mm x 55m

Designed to give a precise clean cut edge, providing a fine straight edge to paintwork.

- High temperature resistance to shrinks or creeps
- Easy to remove, leaves no residue
- Excellent adhesion properties to materials, which bonds to all automotive paint types and a wide range of plastics allowing no paint spread
- Easy to use, highly conformable and bonds well to masking paper
- Thickness of 0.127mm

Trim Masking Tape

Part No.	Size
BDPBTMT	50mm x 10m

A waterproof making tape designed for masking trims. It can be used to mask around corners easily without the need for cutting.

- Special lifting tab allow for easy removal after baking
- Universal size fits all trims
- Good temperature resistance range suitable for all Bodyshop environments, up to 120°C

Foam Masking Tape

Part No.	Size
BDPBFMT	13mm x 55m

A specialist masking tape constructed from open cell foam designed for masking vehicle apertures effectively. It is designed for use in low bake ovens.

- Reduces time required to mask jambs
- Fits a wide variety of jambs
- Extremely absorbent towards overspray, which eliminates contamination
- Easy to use, no risk of damaging paint finish

Masking Paper

Part No.	Size
BDPBCMP1200	1200mm x 180m
BDPBCMP450	450mm x 180m
BDPBCMP900	900mm x 180m
BDPBMP18	450mm x 250m
BDPBMP36	900mm x 250m
BDPBMP48	1200mm x 250m

A standard brown masking paper for use with air dry and low bake application.

- Superb strength and flexibility

Lightning Mask

Part No.	Size
BDPBLM100	100m x 6m
BDPBLM120	120m x 5m
BDPBLM150	150m x 4m

Excellent static cling to prevent underspray and ghosting.

- Paint up to the edge and eliminate the need for paper
- Supplied in a box with tear off strip for easy dispensing
- 6 metre option can be used for cars, vans and CV
- Robust to avoid tears but allows for a smooth cut

KEY Features

Clearly visible markings on the masking film help the user to orientate for better application.

Safety Blade Cutter

Part No.	Size
BDPBSBC	n/a

Allows the safe cutting of masking materials without damaging the vehicles' paintwork.

- Dual edged blade reduces risk of tearing the product

Titanium Safety Cutter

Part No.	Size
BDPBTSC	n/a

A long-lasting cutter designed for easy cutting of masking film.

- The design allows for piercing material and easy cutting out of awkward areas
- Long Titanium coated blade allows for easy cutting, reducing the chance of snagging

Anti Slip Protective Film

Part No.
BDPBASPF

A self-adhesive film that provides protection to surfaces of mixing rooms, tables, floors etc.

Wheel Masks

Part No.	Quantity
BDPBWM	Pack of 4

An elasticated lightweight wheel cover made from polypropylene and are suitable for most common wheel sizes.

Alloy Wheel Mask

Part No.	Quantity
BDPBAWM	Roll of 80

Specially designed for the quick and easy masking of the tyre when refinishing alloy wheels.

- The plastic is made from a special memory retaining construction where it pulls back into shape once it is placed over the bead of the wheel; this ensures a tight seal
- Made from a paint absorbent material, that ensures the paint sticks to the cover avoiding any flaking during the de-masking operation

White Disposable Seat Covers

Part No.	Size
BDPBDSC100	Roll of 100

Heavy Duty Disposable Seat Covers are supplied in a dispenser box. They are a high density opaque roll form seat cover ideal for any car. These large covers are ideal for cars with high backed seats or head restraints.

Disposable Floor Mats

Part No.	Item	Quantity
BDPBBFM250	Brown Recycled Floor Mats	Pack of 250
BDPBWFM250	White Crepe Floor Mats	Pack of 250

Disposable Floor Mats are made from 1 ply recycled tough paper. They protect vehicle carpets and portray a professional image to customers.

Steering Wheel Cover Kit

Part No.
BDPBSWCK

For quick and convenient masking of steering wheels.

- Contains 2 rolls and 1 dispenser

Every BODYLINE[®] product is tried and tested by PPG Industries on product performance and longevity.

Painting

Ideal for all Bodysshops, the BODYLINE® Painting products have been designed to cater for all paint preparation needs.

bodyline®

High Build Primer Aerosols

Part No.	Item	Size
BDPBHBPAB	Beige Aerosol	50ml
BDPBHPADG	Dark Grey Aerosol	50ml
BDPBHPAG	Grey Aerosol	50ml
BDPBHPAW	White Aerosol	50ml

A primer-surfacer combining ultra-high filling properties with very quick drying times; resulting in an easily sanded non-porous surface that is suitable for any topcoat.

- Available in Grey, Dark Grey, White and Beige
- Fast drying, decreasing process time of the repair
- Supplied with two nozzles; 1 standard fan and 1 standard round nozzle
- Excellent smooth finish

Rub Through Etch Primer Aerosol

Part No.	Size
BDPBRTPA	500ml

Gives the ultimate adhesion onto many difficult substrates including alloy, stainless steel, zintec and galvanise. Leaves a super smooth non-porous finish that is suitable for any topcoat.

- Outstanding etching properties
- Excellent anti-corrosive properties
- Fast drying
- Super smooth finish
- Supplied with 2 nozzles

Copper Weld Spray

Part No.	Size
BDPBCWS	500ml

Protect the inner exposed bare metal areas during the joining process using hot welding and spot joining.

- The copper minimises the amount of splatter created when the heat is applied

Zinc Weld Spray

Part No.	Size
BDPBZWS	500ml

A welding primer, suitable for repairing damaged galvanising. It provides outstanding corrosion protection and is resistant to high temperatures.

- Resistant to petrol, chemical and weather influences
- Compatible with SPOT, MIG and TIG welding methods

Ultra Build Primer Aerosol

Part No.	Item	Size
BDPBUBPAG	Grey	500ml

A high performance coating offering corrosion and weather protection to panels. For internal and external use.

- Long lasting elasticity
- Overcoatable
- Good weathering resistance
- Excellent adhesion

Bumper & Trim Coating

Part No.	Item	Size
BDPBPRS5B	Black	400ml
BDPBPRS5DG	Dark Grey	400ml
BDPBPRS5LG	Light Grey	400ml
BDPBPRS5MG	Mid Grey	400ml
BDPBPRS5SB	Slate Black	400ml
BDPBPRS5SG	Smoke Grey	400ml
BDPBPRS5TB	Traffic Black	400ml
BDPBPRSCC	Plastic Repair System Colour Chips	400ml

Durable coloured coatings that adhere direct to most plastics. Fast drying and easy to blend out for an excellent finish on all interior and exterior hard plastics.

- Variable nozzle; gives broad atomisation and high yield, allowing desired effect to be achieved
- Excellent coverage increases Bodyshop satisfaction

Premium Spray Paint

Part No.	Item	Size
BDPBPSGB	Gloss Black	500ml
BDPBSPGP	Grey Primer	500ml
BDPBSPGW	Gloss White	500ml
BDPBSPMB	Matt Black	500ml
BDPBSPSB	Satin Black	500ml
BDPBSPSW	Silver Wheels	500ml
BDPBSPWP	White Primer	500ml

A range of high performance aerosols designed to give a professional finish. These premium sprays offer high coverage with little overspray.

- Supplied with two nozzles, one standard fan and one standard round nozzle, allowing the application to meet the original finish

Plastic Adhesion Promoter

Part No.	Size
BDPBPRS2	500ml

An advanced adhesion promoter for most types of plastics. Can be over coated with topcoat after just 30 minutes.

- Very fast drying
- Supplied with 2 nozzles

Stoneguard

Part No.	Item	Size
BDPBSGBA	Black	500ml
BDPBSGWA	White	500ml
BDPBSGGA	Grey	500ml

A high performance coating offering corrosion and weather protection to panels. For internal and external use.

- Long lasting elasticity
- Overcoatable
- Good weathering resistance
- Excellent adhesion

Texture Coating

Part No.	Item	Size
BDPBPRS4	Black Texture Coating	500ml
BDPBPRS4C	Clear Texture Coating	500ml

Restores the structure of repaired plastic surfaces.

- Suitable for internal and external vehicle applications
- Two different nozzles supplied can produce fine or coarse texture
- Easy and quick application, saving process time within the bodyshop

Plastic Primer

Part No.	Size
BDPBPRS3	500ml

A high build flexible primer ideally suited for most plastic and metal substrates.

- Fast drying coating
- Highly flexible
- Supplied with Two Nozzles: 1 Standard and 1 Fan

Stone Guard

Part No.	Item	Size
BDPBSGB	Black	1L
BDPBSGW	White	1L
BDPBSGG	Grey	1L

A water based tough, hard durable anti-stone chip coating.

- Ultra high build covers weld marks and seams easily
- Helps to deaden sounds and vibrations, thus increasing the user satisfaction

Chassis Paint

Part No.	Item	Size
BDPBCA5	Aluminium	5L
BDPBCB5	Black	5L

A high quality alkyd paint for application by brush or spraygun to chasis or chasis parts.

- Oil and petrol resistant
- Excellent adhesion and flexibility

Clear Coat Aerosol & Clear Lacquer Aerosol

Part No.	Item	Size
BDPBCCA	Clear Coat	500ml
BDPBCMLA	Clear Matt	400ml
BDPBCSLA	Clear Satin	400ml

The Clear Coat Aerosol is a high performance 1k lacquer, which gives a crystal clear finish. It can be applied over all water and solvent based basecoats.

- UV and Petrol resistant
- Two nozzles - 1 variable and 1 standard
- Fast Drying
- Can be mechanically polished

A high performance 1K lacquer which gives a crystal clear matt/satin finish that can be applied over all water and solvent based basecoats.

- Superior build
- UV and petrol resistant
- Fast Drying

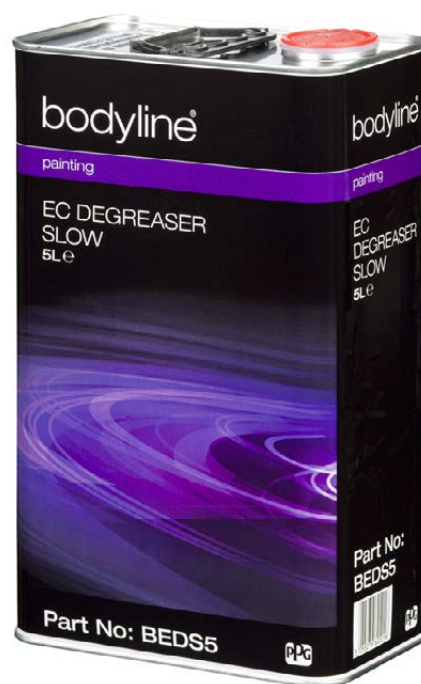

Alloy Wheel Paint

Part No.	Item	Size
BDPBAWP1105	Bright Silver	0.5L
BDPBAWP1205	Glitter Silver	0.5L
BDPBAWP1305	OEM Super Chrome	0.5L
BDPBAWP1405	Ferrari Anthracite	0.5L
BDPBAWP1505	Black	0.5L
BDPBAWP1605	Audi Chrome	0.5L
BDPBAWP1905	Fine Silver	0.5L
BDPBAWP2005	Anthracite	0.5L
BDPBAWP2105	Light Anthracite	0.5L
BDPBAWP2205	Super Fine Silver	0.5L
BDPBAWP2305	Audi Anthracite	0.5L
BDPBAWP2405	Carbon Charcoal	0.5L
BDPBAWP2505	Sparkle Silver	0.5L
BDPBAWP2705	Clear Texture Coating	0.5L
BDPBAWP2805	Ford Chrome	0.5L
BDPBAWP2905	Coarse Graphite	0.5L
BDPBAWP3005	Dark Chrome	0.5L
BAWP3205	Ford Rock Grey	0.5L

Extensive range of the waterbased alloy wheel colours are now available in 0.5l containers; this convenient size allows for reduced stock holding.

The range is supplied ready for use so the process time is reduced and material saving is achieved.

EC Degreaser Slow

Part No.	Size
BDPBEDS5	5L

An anti-silicone and anti-static degreaser designed for use over bare metals and existing paint surfaces. In addition it provides a powerful and aggressive clean.

Standard Thinner

Part No.	Size
BDPBSTH5	5L
BDPBSTH25	25L

Suitable for all cleaning applications. It is ideal for use in gun cleaning machines and also can be used for paint mixing in industrial applications.

Gunwash

Part No.	Size
BDPBGW5	5L
BDPBGW25	25L

Bodyline Gunwash is designed for the effective removal of paints and residue from all refinish spray equipment.

Waterborne Gun Cleaner

Part No.	Size
BDPBWGC25	25L

Improved efficiency when cleaning your spraygun.

- Removes stubborn engraved paint and ensures no contamination occurs

Tacky Booth Coating

Part No.	Size
BDPBTBC5	5L
BDPBTBC25	25L

Water-based tacky surface spraybooth coating protects the spraybooth from overspray. It can be easily applied using a spray gun and removed with water.

- Quick to apply and remove
- Environmentally friendly – contains no VOCs
- The coating traps airborne contaminants

Foam Roller & Tray

Part No.	Item	Quantity
BDPBRH	Roller Handle 4"	1
BDPBRR	Roller Refills 4"	Pack of 10
BDPBRT4	Roller Tray	1
BDPBPRR	Premium Roller Refills 4"	Pack of 10

Comprises plastic tray and a high quality foam roller for fast application of primers to repaired areas without using the spraybooth. All parts are available separately.

- Tapered ends eliminate track marks
- Long-lasting
- Perfect for Roll Priming processes / applications

Artist Brushes

Part No.	Size
BDPBQAB	Card 24
BDPBQAB0	No. 0
BDPBQAB1	No. 1
BDPBQAB2	No. 2
BDPBQAB4	No. 4
BDPBQAB6	No. 6
BDPBQAB8	No. 8

Premium paint brushes featuring a strong wood handle.

- Available in individual sizes or as a board containing 6 of each brushes (No.2/4/6/8)
- Long-lasting
- Ideal for use on stone chips

Economy Brush

Part No.	Size
BDPBEB12	12mm
BDPBEB1	25mm
BDPBEB112	37mm
BDPBEB2	50mm
BDPBEB3	75mm
BDPBEB4	100mm

A standard paint brush ideal for general purpose use.

Paint Bottles

Part No.	Quantity
BDPBPB10	Pack of 10

Handy size touch-up paint bottles are ideal for small quantities of paint for touching up stone chip marks. No additional brush is required.

Pressure Pump Spray

Part No.	Size
BDPBVPS1	1L capacity

Ideal for all cleaning applications, both solvent and water.

- Fully adjustable nozzle

Pre-Cleaning Cloth

Part No.	Size
BDPBPCC	28 x 37cm

- Extremely low-linting
- Wipes are boxed to protect against contamination
- Tough, durable and re-usable; great dirt and dust pick-up
- Solvent and chemical resistant
- Great absorbency capacity and no chemical binders
- 400 sheets

Anti-Static Wipes

Part No.	Quantity
BDPBASW	Pack of 25

Removing the static charge that is significantly found on plastic components.

- Static charge increases dirt inclusions on paint finishes by attracting dust particles in the air to the surface
- The Anti Static Wipe, impregnated with a special blend of chemicals, removes the static charge prior to the paint application
- Re-sealable pouch, packs of 25

Spirit Wiper Roll

Part No.	Size	Quantity
BDPBBSWR	27 x 26cm	280 Sheets

100% melted down polypropylene non-woven wipe perfect for all solvent and spirit wiping applications. Perfect for absorbing oils, solvents and emulsions.

- Low lint minimises fibre shredding
- Highly absorbent, reducing material usage
- Silicone-free

Low-Tack Tack Cloth

Part No.	Quantity
BDPBLTTC	Pack of 25
BDPBITACK	Pack of 50

Pressure sensitive low-tack tack rag is silicone free cloth. It has high dust pick up and glides easily over the surface.

- High level of tackifier leaves virtually no residue on the body
- User friendly
- Product stays flexible in all temperature ranges
- Compatible with all paint technologies and leaves no smearing marks

Paint Mixing Cups

Part No.	Size	Quantity
BDPBPMC1400	1400ml	Pack of 50
BDPBPMC2300	2300ml	Pack of 50
BDPBPMC350	350ml	Pack of 50
BDPBPMC700	700ml	Pack of 50

Easy to store and come in a large range of sizes.

- Flat, wide based cup ensures all paint is fully mixed and gives added stability
- Suitable for solvent and water based paint increases versatility of the mixing cup

CV Tack Cloth (Pack of 25)

Part No.	Size
BDPBCTC25	81cm x 90cm

Ideal for use on commercial vehicles. It is a textured tack cloth which is manufactured to act more like a duster but the unique liquid resin means it will never dry out

- Long lasting: reduces material usage
- Unique liquid resin

Small Paint Mixing Paddles

Part No.	Quantity
BDPBPMPS25	Pack of 25

Unique S-shaped construction is more efficient, saving the bodyshop time.

Premier Paint Strainers

Part No.	Item	Size
BDPBPPS	Premier Paint Strainers	190 Micron
BDPBPSUF	Ultra Fine Strainers	125 Micron

Comes with a patented filter tip design with internal polyester mesh incorporating epoxy resin glues. The glue used won't react with solvents or water based products.

- Accurate colour match reduces the need for remixing
- Suitable for use with solvent and water based paints increases versatility of the strainer
- High mesh tolerance and strength gets all paint strained

Colour Check Panel

Part No.
BDPBCCP

A primed, chequered, aluminium plate with space for paint information.

- Use prior to painting a vehicle
- Create your own quick reference spray-out library

Spray Gun Strainer

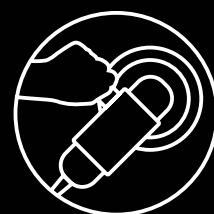

Part No.
BDPBSGS

Spray Gun Strainers are convenient, easy filter suction cup paint filters. They are designed to keep spray gun passages clear as they remove dirt, flakes and scum.

PPG Refinish Distribution can offer ready mixed paint to meet your requirements.

Polishing

The Polishing range provides a solution for the Car Refinish process, using the latest technologies.

bodyline®

Ultimate Cut Compound

Part No.	Size
BDPBUCC1	1kg

Using the latest technologies, this compound has extreme cutting capabilities. It is ideal for removing coarse sanding scratches to produce a high gloss finish, reducing process time as there is no need for reworks.

- Versatile and easy to use; the compound produces less throw off, reducing cleaning times
- Excellent lubrication; allowing the compound to be in use for longer
- A unique berry scent when in use; providing a pleasant aroma in the Bodyshop
- Distinctive purple colour; visually appealing and easy to quickly identify the product

Ultimate Finish Compound

Part No.	Size
BDPBUFC1	1kg

Ideal for use on dark coloured vehicles or when an extreme gloss is required, this product removes holograms and swirl marks.

- Quick and easy to apply
- Produces a high gloss finish
- Enhances colour and removes

Polishing & Compounding Foams

Part No.	Quantity	Size
BDPBFCFP	Compounding Foam Pad Orange	150mm
BDPBFFP	Finishing Foam Pad Black	150mm
BDPBGCH75	Mini Compound Pad	75mm x 25mm

The Compounding Foam has a special foam construction to allow fast abrasion and quick cutting action by breaking down the compound and removing the scratches to achieve a finer finish.

- Full foam face gives durability to the pad
- Hook and loop system allows ease of change between different foam heads

The Polishing Foam consists of a very soft foam construction that has been designed to work with fine compound that is still on the panel.

- Full soft head reduces hologram effect on panel and adds longevity to the pad
- Hook and loop system allows ease of change between different foam heads

The Grip Fastcut Compound Pad provides fast abrasion and quick cutting action to help achieve a finer finish.

Microfibre Cloths

Part No.	Item	Quantity
BDPBMFCB	Blue	Pack of 10
BDPBMFCY	Yellow	Pack of 10

A great alternative to chamois and scrim. Ideal for stainless steel, designed for smear-free glass cleaning.

- Cleans and shines, capturing dust particles when dry
- Removes traces of grease and grime when used wet
- Can be washed and reused
- Use as part of the polishing process

Purple Microfibre Cloths

Part No.	Item	Quantity
BDPBMFCM	Purple	Pack of 10

A great alternative to chamois and scrim. Ideal for stainless steel, designed for smear-free glass cleaning.

- Cleans and shines, capturing dust particles when dry
- Removes traces of grease and grime when used wet
- Can be washed and reused
- Use as part of the polishing process

Supersoft Polishing Cloth

Part No.	Size
BDPBSPC	28cm x 37cm

Excellent absorption properties and are low static.

- Super soft, leaves no scratches
- Cardboard dispenser box for easy storage and prevents contamination
- Low lint minimises fibre shredding
- 400 sheets

Stockinette

Part No.	Item	Size
BDPBS2	Stockinette	2kg
BDPBS2F	Superfine Stockinette	2kg

100% premium grade cotton cloth that consists of high quality weave that ensures optimum performance.

- Ideal for compounding and polishing operations

PPG Refinish
Distribution can
offer a unique
Bodyshop Inventory
Management
System.

Valeting

The Valeting range offers a wide array of products and accessories suitable for interior and exterior automotive cleaning.

bodyline®

Traffic Film Remover

Part No.	Item	Size
BDPBTFRP025	Power Concentrate	2.5L
BDPBTFRS25	Standard Concentrate	25L
BDPBTFRS5	Standard Concentrate	5L
BDPBTFRG25	General Purpose	25L
BDPBTFRH25	Heavy Duty	25L

A heavy duty manufacturing base traffic film remover developed for pressure cleaning via jet wash equipment. Ideal for use on vehicle bodywork, engines, chassis and also is suitable for any other high pressure applications.

- It leaves a bright finish
- It is free rinsing thus reducing the need for manual drying

Non-Acidic Wheel Cleaner

Part No.	Size
BDPBNAWC5	5L

Non acidic wheel cleaner is a heavy duty cleaner.

- Our foaming formulation ensures that deep cleaning is assured
- Removes stubborn brake dust and grime
- Also suitable for removing copolymer wax residues

Universal Wheel Cleaner

Part No.	Size
BDPBUWC5	5L

This concentrated inhibited acidic cleaner for aluminium wheels has been specially formulated to rapidly and effectively clean alloy wheels.

- This product actively removes stubborn brake dust and rinses very easily to leave a bright finish

Silicone Free Wash & Wax Shampoo

Part No.	Size
BDPBWWS25	25L
BDPBWWS5	5L

A neutral vehicle wash shampoo with genuine carnauba wax. It is free rinsing and easy to use.

- Provides a superb finish and will leave that professional impression for your customers

Tar & Glue Remover

Part No.	Size
BDPBTAGR5	5L

A powerful solvent that rapidly removes residues of most types of adhesives and sealants used in the motor industry.

- Formulated to have the minimum effect on paint work and upholstery materials
- A most effective tar remover for wheels and bodywork

Liquid Glass Cleaner

Part No.	Size
BDPBLC5	5L

An advanced, solvent based cleaner for the rapid spray on-wipe off cleaning of all glass surfaces, windows, mirrors and windscreens.

- Incorporates a highly effective surfactant in a solvent solution and is silicone free

Bumper & Exterior Trim Gel

Part No.	Size
BDPBBTG5	5L

A non-silicone formulation in gel form for application to plastic bumpers and similar surfaces.

- Restores finish and reduces dullness, leaving a protective flexible film

Tyre & Rubber Dressing

Part No.	Size
BDPBTRD5	5L

A water based tyre dressing containing glycerine. It is very easy to apply giving a "new tyre" appearance and an attractive gloss.

Vinyl Enhancer Aerosol

Part No.	Size
BDPBVEA	500ml

A sophisticated spray dressing developed to both deodorise and renovate interior vehicle plastics and wood surfaces and grilles etc. It can also be used on chrome and stainless steel offering many other scopes for application in many areas of industry.

- This product is ideal for use in bodyshops as it contains no silicones
- Fresh citrus scent

Tyre Foam Aerosol

Part No.	Size
BDPBTFA	500ml

A high quality dressing in an easy to apply foaming formulation. No buffing is required and a long lasting sheen is produced.

PDI Car Polish

Part No.	Size
BDPBPCP5	5L

An easy to use rich wax cream polish, giving a rapid high gloss finish on all vehicle paint systems.

- Formulated for ease of application and removal
- It is ideal for new or pre-owned vehicles of all types
- Contains silicone

General Purpose Interior Cleaner

Part No.	Size
BDPBGPIC5	5L

A superb multi-purpose cleaner and deodoriser developed to clean a multitude of hard surfaces such as walls, floors and worktops.

- This product rapidly removes oil, grease, nicotine and dirt and can be applied with a sponge, mop, cloth, or for first class results on workshops floor through an automated floor scrubbing machine
- Ideal for the interior valeting of cars
- Mix Ratio 1:8 with water

Carpet & Upholstery Cleaner

Part No.	Size
BDPBCUC5	5L

A special low foaming fabric shampoo for professional use in carpet cleaning machines. Used properly, this cleaner releases deep-seated soil, brightens colours and restores the natural resilience of the pile.

- Mix Ratio 1:6 with water

Valeting Trigger Spray

Part No.	Size
BDPBVTS	600ml

Designed for dispensing most liquid valeting products.

- It has an adjustable rotating nozzle for ease of use
- Graduated bottle with markings allows for easy measurement of liquids

Fabric & Vinyl Cleaner Aerosol

Part No.	Size
BDPBFA	500ml

A unique fragranced foam cleaner formulated for instant results with minimal wetting. Fabric & Vinyl Cleaner is an advanced fast action multi purpose foam cleaner, formulated for cleaning both hard and soft surfaces.

- Can be used for cleaning and degreasing most surfaces in both horizontal and vertical planes
- Its controlled break allows for fast application without excessive run off

Jumbo Sponge

Part No.	Size
BDPBJS	n/a

Bodyline Jumbo Sponge is a super absorbent jumbo sponge that removes dirt effectively, allowing cleaning to be done with minimum effort.

- Ideal for removing dirt from paintwork, glass, trim, wheels and tyres without scratching

Cellulose Sponge

Part No.

BDPBS

A high quality absorbent cellulose sponge for the removal of water and fluids from panel surfaces.

Synthetic Chamois

Part No.

BDPBSC

A highly absorbent and long lasting Synthetic Chamois.

Full Skin Chamois Leather Cloth

Part No.

BDPBFSC

Hand-selected top grade Full Skin Chamois Leather Cloth has superb absorption properties and leaves a smear-free finish.

Clay Bar

Part No.

BDPBCB

Size

200gm

Designed to offer easy removal of overspray and minor imperfections. For best results use prior to polishing.

The BODYLINE® range delivers product performance and process improvement.

Health & Safety

From disposable gloves to dust masks, the Health & Safety range has been designed to address all areas of Bodyshop user safety and comfort.

bodyline®

Nitrile Gloves

Part No.	Size	Quantity
BDPBNGM	Medium	Box of 100
BDPBNGL	Large	Box of 100
BDPBNGEL	XLarge	Box of 100

Lightweight disposable gloves designed to provide excellent protection whilst still allowing excellent dexterity and comfort. These gloves offer outstanding protection with all types of refinish processes.

- Latex and powder free, eliminates the risk of Type 1 allergic reactions
- Paintshop Use

Bodyshop Hand Wipes

Part No.	Quantity
BDPBBHW150	Tub of 150

- Perfect for all Bodyshop applications
- The wipes remove paint, resin and solvent without the need for water

Hand Sanitiser

Part No.	Size
BHS500	500ml

A quick acting, no-rinse alcohol hand rub which includes moisturisers to help minimise skin drying.

- Proven to kill greater than 99.99% of bacteria & viruses including Coronavirus
- Passes BS EN 1276, BS EN 1500 & BS EN 14476. Suitable for frequent use
- For professional use only

Bodyshop Pro Coverall

Part No.	Size
BDPBPCM	Medium
BDPBCL	Large
BDPBPCXL	XLarge
BDPBPCXXL	XXLarge

Made from a micro porous low lint fabric, giving them a ventilated breathable design from head to knee.

- Knitted cuffs, a re-sealable flap, an elasticated waist and a self adhesive pocket add to user comfort and protection
- They provide chemical and dust resistance, ideal for all bodyshop practices

PPG Eveotec Professional Coverall

Part No.	Size
DEA1002-1148	Medium
DEA1002-1152	Large
DEA1002-1156	XLarge
DEA1002-1160	XXLarge

The PPG Coveralls are CE Marked and made from revolutionary fabric to allow breathability and comfort whilst offering excellent protection. The innovative carbon fibre fabric eliminates any electro-static charge and heat build-up ensuring complete user safety.

- 100% dust and lint free to prevent contamination in the working environment
- Double zipper, chest and back pockets provide durability and usability
- Extendable waistband to provide comfort
- Elasticated wrists and ankles for ease of removal and for added protection

Card Mixing Cups

Part No.	Item	Size
ESSCMC600	Card Paint Mixing Cups 600cc	Pack of 50

Sturdy, waxed cardboard mixing cup with approximate graduations.

- Fully stackable
- Prevents contamination

Mixmate Mixing Cups

Part No.	Item	Quantity
ESSMMC600	Mixmate Poly Mixing Cups 600cc	Pack of 50

A clear, wide based, polypropylene mixing cup with graduations showing mixing ratios as well as ml. measurements.

- Versatile, easy to use and store
- Flat bottom aids stirring
- Suitable for both water and solvent based paint

Tack Cloths

Part No.	Item	Quantity
ESSTC10	Tack Cloths	Pack of 10
ESSTC10	Tack Cloth Dispenser	Box of 50

Supplied in a cardboard dispenser, making the product easy to store and dispense.

Easy Sand Body Filler

Part No.	Size
ESSES7	3.5L

Designed for the filling of dents and imperfections in surfaces, ideal for larger areas. A final application of stopper filler is recommended for the perfect result.

- Easy to mix and apply, saving labour and time
- Can be painted over by most paint systems
- Easy to sand

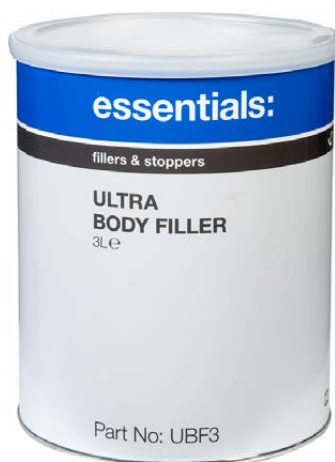

Ultra Glaze Stopper Bag

Part No.	Size
ESSUGSB	500ml

A premium self-leveling finishing glaze designed for final skimming and for direct application onto minor imperfections on bodywork prior to overpainting.

- Extra smooth, allowing it to be easily spread
- The quick drying properties of this stopper helps to improve the process times within the bodyshop

Ultra Body Filler

Part No.	Size
ESSUBF3	3L

For use on deep and medium fill applications. It adheres well to steel, GRO, aluminium, galvanised steel and paint.

- Excellent adhesion prevents sagging of the materials
- Fast curing ability to sand after 15 minutes at 20°C
- Can be painted over easily

Hardener

Part No.	Size
ESSBFH40	40g

Extra pack of Essentials hardener.

- Available as 40gm pack

PU Seam Sealer

Part No.	Item	Size
ESSPUSB	Black	310ml

A multi-purpose, single component, moisture curing polyurethane sealer that provides excellent adhesion. Resistant to UV rays and has low VOC content, meaning it is environmentally friendly.

- Over-paintable in 30 minutes
- Excellent sag resistance

Double-Sided Tape

Part No.	Size
ESSTSGB	9mm x 10m
ESSDST12	12mm x 10m
ESSDST19	19mm x 10m
ESSDST25	25mm x 10m
ESSDST50	50mm x 10m

Designed with a high tack/ high shear solvent acrylic adhesive system for enhanced adhesion.

- It bonds well to automotive plastics and a wide variety of paint finishes
- Closed foam cell gives a smooth surface for enhanced adhesion
- Excellent adhesion properties to materials increase customer satisfaction

General Purpose Wipe

Part No.	Size	Quantity
ESSGPW	25cm x 38cm	400

A lightweight, versatile cloth that provides good strength, durability and absorbency.

- Used both wet and dry
- Embossed to ensure effective dirt removal
- 60gsm
