

## Bumper & Exterior Trim Gel

### Description

A non-silicone formulation in gel form for application to plastic bumpers and similar surfaces. Bumper & Exterior Trim Gel restores finish and reduces dullness, leaving a protective flexible film.

### Directions

Apply with a soft lint free cloth and rub gently to remove marks and leave an even coating. Remove surplus product with a soft, dry cloth. This product is not compatible with some high flexibility plastics such as low density polypropylene. To confirm suitability, test a small hidden area before use.
